ARTICLE VI COVENANT FOR ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligations of Assessments. The Developer for each Lot owner within PRAIRIE VIEW HEIGHTS hereby covenants and each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (1) Annual assessments or charges, and (2) Special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney fees, shall to the full extent permitted by law, be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys fees, shall also be the personal obligation of the person who was the Owner of all such property on the effective date of the assessments. The personal obligation for delinquent assessments shall not pass to his successors in title, but, nevertheless, the lien arising by reason of such assessment shall continue to be a charge and lien upon the land as above provided.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used for the purpose of promoting the general benefit, recreation, health, safety and welfare of the residents in PRAIRIE VIEW HEIGHTS ELEVENTH ADDITION and the subsequently platted Additions to PRAIRIE VIEW HEIGHTS. Such purposes shall include, but shall not be limited to and the Association's rights and powers shall include (in addition to the rights and powers set forth in this Declaration and in the Association's Articles of Incorporation and By-Laws) provision for the improvement, construction, repair, maintenance, care, upkeep and management of the Common Areas and the improvements and facilities thereon, and further, shall include the payment of any taxes and assessments, if any, which may be assessed and levied upon any property owner by the Association, together with all other costs and expenses related to the management and maintenance of the Common Areas. Nothing contained herein shall limit the Association's rights and powers granted in this Article or granted elsewhere in this Declaration and the Articles of Incorporation and By-Laws of the Association.

Section 3. Annual Assessment.

- (a) The initial annual assessment shall be for 2006 and shall be Three Hundred Thirty-three and No/100 Dollars (\$333.00) per member. The Developer shall not be considered a member for purposes of assessment, and shall pay no assessments.
- (b) After 2006 the maximum annual assessment may be increased each year without a vote of the Members not more than ten percent (10%) above the maximum assessment established for the previous year except that in the event the annual assessment is not sufficient to pay for the maintenance, taxes and insurance on the Common Area, an additional annual assessment will be made solely for the purpose of paying for the maintenance, taxes and insurance on the Common Area.

Section 4. Special Assessment for Capital Improvements.

In addition to the annual assessments in Section 3 above, the Association may levy, in any assessment year, a special assessment. The purpose of the special assessment shall be for a capital improvement in the Common Area, or provided in whole or in part, for the cost of any reconstruction, repair or replacement of a capital improvement in the Common Area, including fixtures and personal property related thereto. The maximum special assessment shall be Five Hundred and No/100 (\$500) Dollars for year, per member. Any special assessment shall require an affirmative

vote of a majority of the members.

Section 5. Date of Commencement of Annual Assessments. The annual assessments for each Lot provided for herein shall commence on January 1, 2006 and thereafter shall commence on the date of the first conveyance of said Lot by the Developer to an Owner. The first annual assessment for each Lot shall be prorated based on the date it is sold by the Developer. Written notice of the annual assessment shall be sent to every Owner.

Section 6. Effect of Nonpayment of Assessments; Remedies of the Association. Each member shall be deemed to covenant and agree to pay to the Association the assessments provided for herein and each agrees to the enforcement of the assessments in the manner herein specified. In the event the Association employs an attorney or attorneys for collection of any assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, or for any other purpose in connection with the breach of the Declaration, each Owner agrees to pay reasonable attorney fees and costs thereby incurred in addition to any other amounts due or any other relief or remedy obtained against said Owner. In the event of a default in payment of any such assessment when due, the assessment shall be deemed delinquent and shall bear interest at the rate of 18% per annum and in addition to any other remedies herein or law provided, the Association may enforce each such obligation in any manner provided by law or in equity, or without any limitation by the foregoing, by either or both of the following procedures.

- (a) **Enforcement by Suit.** The Board may cause a suit at law to be commenced and maintained in the name of the Association against any Owner to enforce each such assessment obligation. Any judgment rendered in any such action shall include the amount of the delinquency, together with interest thereon at the rate of eighteen percent (18%) per annum from the date of the delinquency, court costs, and reasonable attorneys' fees in such amount as the court may adjudge against the delinquent owner.
- (b) **Enforcement by Lien.** There is, to the full extent permitted by law, hereby created a claim of lien, with power of sale, on each and every lot within PRAIRIE VIEW HEIGHTS to secure payment to the Association of any and all assessments levied against any and all Owners of such Lots under these Restrictions, together

with interest thereon at the rate of eighteen percent (18%) per annum from the date of delinquency, an administration fee of One Hundred Dollars (\$100) to the Association, and all costs of collection which may be paid or incurred by the Association in connection therewith, including reasonable attorneys' fees. At any time within thirty (30) days after the occurrence of any default in the payment of any such assessment, the Association or any authorized representative, may, but shall not be required to make a written demand for payment to the defaulting Owner, on behalf of the Association. Said demand shall constitute a separate basis for a demand or claim of lien or a lien, but any number of defaults may be included within a single demand or claim or lien. If such delinquency is not paid within ten (10) days after delivery of such demand, or even without such a written demand being made, the Association may elect to file such a claim or lien on behalf of the Association against the Lot of the defaulting Owner. Such a claim of lien shall be executed and acknowledged by any officer of the Association, and shall contain substantially the following information:

- (a) The name of the delinquent Owner (as shown on the Association records);
- (b) The legal description or street address of the lot against which claim of lien is made;
- (c) The total amount claimed to be due and owing for the amount of the delinquency, interest thereon, the One Hundred Dollars (\$100) administration fee, collection costs, and reasonable attorneys' fees;
- (d) That the claim of lien is made by the Association pursuant to the PRAIRIE VIEW HEIGHTS Restrictions; and
- (e) That a lien is claimed against said Lot in an amount equal to the amount stated.

Upon (1) recordation of a duly executed original or copy of such a claim or lien, and (2) mailing of a copy thereof to said Owner, the lien claimed thereon shall immediately attach and become effective in favor of the

Association as a lien upon the Lot against which such Assessment was levied. Such a lien shall have priority over all liens or claims created subsequent to the recordation of the claim of lien thereof, except only tax liens for real property taxes on any lot, assessments on any lot in favor of any municipal or other governmental assessing unit, and liens which are hereinafter specifically described in Section 7. Any such lien may be foreclosed by appropriate action in court or in the manner provided by law for the foreclosure of a deed of trust, with a power of sale, as set forth by the laws of the State of Missouri, as the same may be changed or amended. The lien provided for herein shall be in favor of the Association and shall be for the benefit of the Members. The Association may acquire, hold, lease, mortgage, and convey any such Lot. In the event such foreclosure is by action in court, reasonable attorneys' fees, court costs, title search fees, interest and all other costs and expenses shall be allowed to the Association to the extent permitted by law. Each Owner, by becoming an Owner in PRAIRIE VIEW HEIGHTS

hereby expressly waives any objection to the enforcement and foreclosure of this lien in this matter.

Section 7. Subordination of the Lien to Mortgages. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the lien of such assessment as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE VII ARCHITECTURAL CONTROL

Section 1. Review by Developer. No structure, residence, accessory building, tennis court, swimming pool, fence, mailbox, driveway, wall, lot drainage works, awning, exterior area lighting or other improvements shall be constructed or maintained upon any Lot and no addition or change to the exterior of a structure shall be undertaken, unless complete plans, specification and plot plans thereof showing the exterior design, height, building material and color scheme thereof, the location of the structure on the Lot plotted horizontally and vertically, the location of driveways and fencing, shall be submitted to and approved in writing by the Developer. A copy of such plans, specifications and plot plans as finally approved, shall be kept by the Developer. All fees and expenses incurred by the Developer, shall be paid by the applicant. A copy of such plans, specifications and plot plans as finally approved, shall be kept by the Architectural Committee. All fees and expenses incurred by the Architectural Committee, shall be paid by the applicant. No changes or deviations in or from such plans and specifications once approved shall be made without the prior written approval of the Architectural Committee.

Section 3. Duties. The Developer and the Architectural Committee shall have the right in their sole discretion to refuse to approve any plans and specifications which are not suitable or desirable for aesthetic or other reasons and in passing upon such plans and specifications and without any limitations of the foregoing, they shall have the right to take into consideration the suitability of the proposed building, structure or other improvement or landscaping, in light of Developer's plans for PRAIRIE VIEW HEIGHTS as a residential development of architectural design and location in relation to surrounding structures and topography and the effect of the improvements as planned on the outlook from adjacent or neighboring lots.

Section 4. Procedures.

- (a) The Architectural Committee shall approve or disapprove all plans and request within thirty (30) days after receipt by the Committee of all necessary information. In the event the Architectural Committee fails to take any action within thirty (30) days after a request and all necessary information has been submitted, approval shall be presumed and this Article shall be deemed to have been fully complied with.

- (b) The Architectural Committee shall maintain written records of all applications submitted to it and of all actions taken. Plans, specifications, and other records and minutes of Committee actions shall be kept by the Committee for at least one (1) year.

Section 4. Members of Committee.

- (a) The Architectural Committee shall consist of three (3) Members appointed by the Board of Directors of the Association. Members of the Committee are not required to be Owners.

Section 5. Non-liability for Approval of Plans. Plans and specifications shall be reviewed by the Developer and the Architectural Committee as to style, exterior design, appearance and location and shall not be reviewed for engineering or structural design or for compliance with zoning and building ordinances. By approving such plans and specifications, neither the Architectural Committee, the members thereof, the Association, the Board nor the Developer assume any liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications. Neither the Architectural Committee, any member thereof, the Association, the Board nor the Developer or their agents shall be liable to any Owner, prospective Owner, or other person for any damage, loss or injury suffered or claimed on account of (a) the approval or disapproval of any plans, drawings and specifications, whether or not defective, (b) the construction performance of any work, whether or not pursuant to approved plans, drawings and specifications, or (c) the development, or manner of development, of any property within PRAIRIE VIEW HEIGHTS provided however that such action, with the actual knowledge possessed, was taken without willful or intentional misconduct. Approval of plans and specifications by the Architectural Committee is not and shall not be deemed to be a representation or warranty that said plans or specifications comply with applicable governmental ordinances and building codes.

Section 6. Inspection. Any member of the Architectural Committee, or any authorized officer, director, employee or agent of the Association, or the Developer may at any reasonable time enter upon any Lot in order to inspect improvements constructed or being constructed on such Lot to ascertain that such improvements have been or are being built in compliance with the approved plans and specifications.

Section 6. Temporary Occupancy. No trailer, incomplete building, tent, shack or garage and no temporary building or structure of any kind shall be used at any time for a residence on any property within PRAIRIE VIEW HEIGHTS. Temporary buildings or structures used during the construction of a dwelling on any such property shall be subject to the rules of the Board and shall be removed immediately after the completion of construction.

Section 7. Motor Vehicles and Trailers.

- (a) No mobile or motor home, trailer of any kind, truck larger than 3/4 ton, camper, boat, or permanent tent or similar structure shall be parked, kept, maintained or repaired upon any property of street (public or private) within PRAIRIE VIEW HEIGHTS between the hours of 12 midnight and 5:00 a.m. in such a manner as will be visible from neighboring property; nor shall any motor vehicle of any kind be constructed, reconstructed or repaired on any public or private property within

Section 8. Motor Vehicles - Excessive Noise. If the Board determines that any motor vehicle is creating loud or annoying noises by virtue of its operation within PRAIRIE VIEW HEIGHTS, such determination shall be conclusive and final that the operation upon notice by the Board to the Owner or operator thereof, shall be prohibited within PRAIRIE VIEW HEIGHTS.

Section 9. Landscaping and Lawns.

- (a) **Completion.** Each Owner shall complete the landscaping required by the Developer or the Architectural Committee prior to occupying the premises, unless the Developer or Architectural Committee shall approve a delay based on weather conditions.
- (b) **By Owner.** Each Owner of a Lot within PRAIRIE VIEW HEIGHTS shall keep all shrubs, trees, grass and plantings including the area located between the boundary line of his property and the street on which such Owner's property abuts, neatly trimmed, properly cultivated and free of trash, weeds and other unsightly material. In the event that any Owner fails to maintain his lawn, landscaping or plantings as provided herein, the Association, or its agents, may enter upon said Lot and may do so, and the Owner shall reimburse the

Association for its costs, upon demand. The Association may enforce collection of same in the same manner as if such costs were an assessment and shall have all powers and rights to so collect as set forth in Article VI, Section 6, above.

- (c) **By the Association.** The Association and its agents shall have the right, at any time, to plant, replace, maintain, and cultivate shrubs, trees, grass and plantings on the Common Area and on any easements of record over an Owner's Lot.
